

Second Face to Face Meeting

The second face to face meeting will be a very important point in the process as you will be discussing the Questionnaire and the Compact, and will discuss the Letter of Introspection the prospect is to prepare.

Suggested Second Meeting Conversation Guide – This is a guide, not a script.

Q: Did you read and fill out the Questionnaire? Yes/No

What stood out to you after reading and filling it out? What questions or comments do you have about it? Let's discuss it point by point.

Q: Mr. , did you read the Masonic Compact? Yes/No

How would you describe how those statements struck you? Did any one of the statements stand out to you? If so, why?

Let's talk about how the Compact affects the lives of Masons and how we live our lives.

Q: We are going to ask you to do a deeper personal reflection about why you want to join Freemasonry. Please write a personal reflection based on the outline I will give you. We call this the Letter of Introspection. It is designed to ask you questions that will make you reflect on areas of your life in a way that most men do not take the time to do.

Are you ok with that approach? Yes/No (circle) If no, try to determine why and use your judgment based on the answers you receive.

Please feel free to make it as long or short as you need, but it must show personal reflection. Please return it to me before our next meeting. Then we will discuss it together. You can mail it to me at _____ or email it to me at . Are you okay with this? Yes/No
