

The NorthStar Candidate Selection Process

Step Four - Third Face to Face Meeting

The third face to face meeting is the last time we will meet with the prospect before the social event(s) and meeting at his home. The Letter of Introspection is the main topic of discussion as well as handing out the first section of the Lodge System of Masonic Education commonly known as LSOME.

Suggested Third Meeting Conversation Guide – This is a guide, not a script.

Q: Thank you for submitting the Letter of Introspection. We know that preparing it is not an easy task!

Let's talk about tonight in a step by step manner and in your own words ok? Yes/No (Circle) (If no, attempt to find out why)

We will also be sharing information about ourselves with you by addressing the same questions you were asked to write about.

- *Explain your family history, upbringing, and transition to manhood.*
- *Give us your work history and future employment goals.*
- *Masonry requires that a man know himself. What do you know about yourself?*
- *What are your greatest strengths and what do you want to improve about yourself?*
- *Masonry requires that a man be of high ethics. When have you displayed yours?*
- *Every person has a personal code or philosophy they live by. What is yours?*
- *Why do you want to join Freemasonry?*
- *What do you expect from Freemasonry?*

We are going to give you this handout to take home and share with your Family and loved ones.

We will contact you about a social event to which you will be invited. That will give us a great opportunity to relax and have some fun. Although Freemasonry can be very serious, we believe in a balanced life. Part of a balanced life means having fun and striving for happiness. We are looking forward to seeing you there.
